

# Chris Butler

San Antonio, TX

ususipse@gmail.com - 210-201-3195

Willing to relocate: Anywhere

Authorized to work in the US for any employer

## WORK EXPERIENCE

### **Administrator**

China Wine and Spirits Awards - Hong Kong, CN - November 2012 to Present

Built modifications for invoice system to provide clients the ability to upload their products online and allow the event staff to manage product details.

Also built a system to import event spreadsheet data into the MySQL database to be parsed into HTML and PDF format so clients can print certificates earned.

### **PHP/Js/Flash Developer**

WowPrezi - New York, NY - July 2015 to July 2016

Worked with Prezi's API to provide interactive presentations.

This API connects a socket to the Flash Prezi hosted by Prezi servers which enabled the client to add interactivity to the presentation. This interactivity usually included calculations based on questions asked during the presentation.

### **Internet Manager**

RED MCCOMBS AUTOMOTIVE GROUP - San Antonio, TX - March 2008 to April 2010

Made manager in less than a year.

Internet Managers are responsible for updating product data on the main website.

## EDUCATION

### **BA in Computer Science**

Hallmark College - San Antonio, TX

2000 to 2001

## SKILLS

PHP (5 years), Javascript (5 years), HTML (10+ years), Flash (10+ years)
